DETAILED ACTION

Response to Amendment

1. Applicant's after-final amendment filed July 30th 2007 has been entered and made of record.
2. Applicant has amended claims 1, 16 and 18. Claims 13-15 and 17 have been cancelled. Claims 1-12, 16 and 18-20 are now pending.
3. Applicant's remarks in view of the presented amendments have been considered and are found persuasive. Claims 1-12, 16 and 18-20 are accordingly found to be allowable. Reasons for allowance are given below.

Allowable Subject Matter

4. Claim 1-12, 16 and 18-20 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 14 and 16 were objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Applicant has placed the allowable subject matter in each of independent claims 1, 16 and 18.

No found prior art of record teaches or fairly suggests determining difference between three different resolutions and according to comparisons of the two differences, choosing a resolution to switch to.

Independent Claims 1, 16 and 18 are found allowable and all subsequent dependent claims are also accordingly allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
